Changes Did Not Slow Us Down

If there is one word that best describes what took place at Boerne High School in the 1984-85 school year it is change. Some of the changes created a better place while others made our life more tedious.

The first change was a subtle one. BHS added to its cheerleading corp a mascot and a Freshmen Cheerleading squad. The Greyhound mascot, Kadra Dieke, added comic relief to the fight songs while the Freshmen cheered their team to victory.

The construction that was instituted by the passage of the 1983 bond issue changed the face and the style of our campus during this year. The fences that surrounded the work, the increase of traffic, and the diminished parking area created an inconvenience that would be well worth it for the underclassmen. They would have more classrooms and generally better facilities.

However, if there was one single thing that caused the most changes in our school it was House Bill 72. It did its greatest amount of changing in the area of extracurricular activities. They were now limited to after school, and only to those students who passed all of their classes. That made for even harder work.

The second drastic change of HB 72 was the new grading system. It raised passing to a 70 and adjusted the other grades three times before they were finally decided upon. Along with the new grading system, came harsher attendance rules. The number of days a student was able to miss was specifically outlined.

All of these changes were more than inconvenient and hard adjust to. They also created an undue amount of pressure. At times it felt as if the world weighed on our shoulders. However, we adjusted so well to all the changes that we can best be described as GRACE UNDER PRESSURE. (RUSH – 1984)

As you look through this book now and in the coming years, remember the pressures we had and how much fun we had alleviating them. But also remember that this book is simply pictures, images trapped in time, of what we were, they are not who we are!

Our mascot, Kadra Dieke, often voiced her opinion.

Mr. Schmitt explained the revised grading system.

The new administration building developed quickly.

GREYHOUND Staff . . .

Whether it was working on pages, taking pictures or writing copy, there was never a lack of work for the 1985 GREYHOUND staff. We soon learned what had to be done and whose responsibility it was.

The year started out with the appointment of the editor, assistant editor, copy editor, layout editor, photographer, and business manager. Without hesitation, the staff decided on some changes for the yearbook.

One major decision was to list all of the Senior's accomplishments by their picture. Another switch was the change in location and design of the faculty pages.

The staff soon hit the street selling advertisement space to local businesses. The sales were successful enough that we could do a special cover, and use a lot of color in the book.

After the entire staff learned to use the camera the picture taking soon began. Everyone at Boerne High School loved to have their picture taken!

With the combination of the best staff the journalism department had ever seen, a good photographer, a zealous sales team, and a willing sponsor, the 1985 GREYHOUND is sure to be a success.

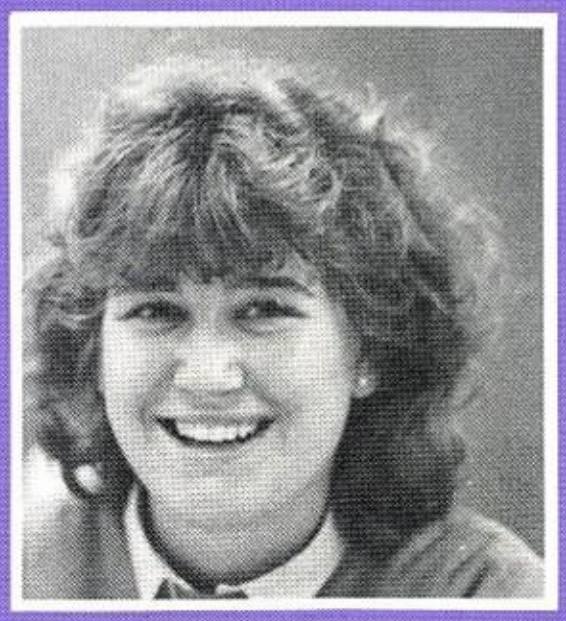
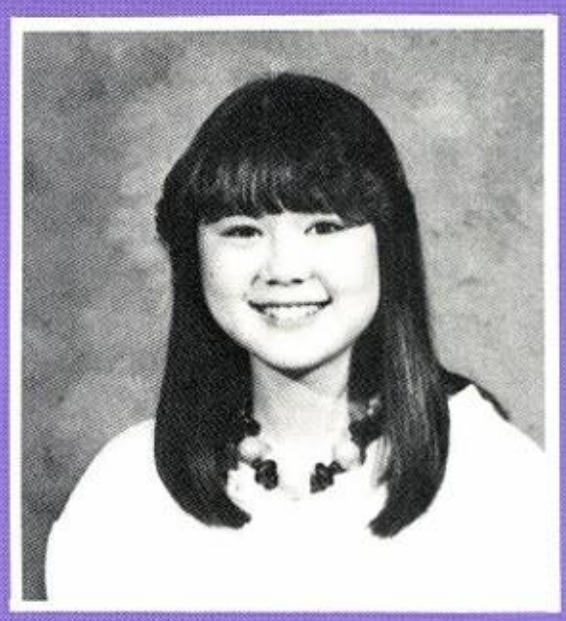
UUUUUUhhh . . . No Rafe! I told you I wasn't ready yet.





Marion Shaer, an exchange student from Zastron, South Africa, was one of our special helpers on the GREYHOUND. At her departure, Marion left us with a few words.

"Kahlil Gibran once said you have only given once you have given of yourself. It was an most interesting year. Thank you for your part in it.

"Time is definitely a thief but at least it's left me with so many memories. My time here is up but relationships and memories are eternal."

Boerne High School also had the honor of hosting another exchange student. Kasumi Aoki came to us from Nishinomiya City, Japan.

Although Kasumi was not a member of the GREYHOUND, she and Marion added a touch of flavor to the BHS campus.

It takes a very mature teenager to be able to go away from home for more than a year.

These two knew pressure in a sense that no one else could!

BHS Students Work On

By working in outside jobs, Boerne High School students prepared themselves for adult life. They worked with others, gained on-the-job experience of the business world, learned to handle pressure, and best of all earned money!

Through such programs as Distributive Education, VICA, and CVAE students gained enough knowledge to compete with older people for work. Luckily, there were many businessmen in Boerne willing to hire these enterprising youths.

It took a special kind of student to be able to hold a job, meet that job's various demands, and keep their grades up. These BHS entrepreneurs had a head start in life!

Melissa Uecker does bookkeeping at KCR Equipment Co.

Administration

The administration at Boerne High School during 84-85 year was headed by Mr. Clifton Schmitt. His responsibilities were enormous because of the extensive building program and the changes in education brought about by the recent legislation. During the year he helped the faculty and the students to cope with the pressures of the school routine.

Mr. Jerry Nowotny, the Vice Principal, was responsible for attendance and discipline. The many changes concerning attendance made this a full-time job. He was also involved with the everyday operation of the school. The administration attempted to make the school year as smooth as possible, but so many things happened that both Mr. Schmitt and Mr. Nowotny were at school many hours past the normal school day.

Some of the improvements brought about by the administration included a longer lunch period, and more activities planned by organizations for after school.

Mr. Nowotny passing judgment.

The Spirit of Homecoming . . .

Homecoming and the spirit all football games possess hold a special place in the hearts of students. Whether they participated in one of the school organizations that made it so special or were just a proud observer, they had a treat.

The week of Homecoming had spirit days where students showed some of their true colors. None of us ever knew Mel Ellenwood and Kris Kahanek were quite so liberal.

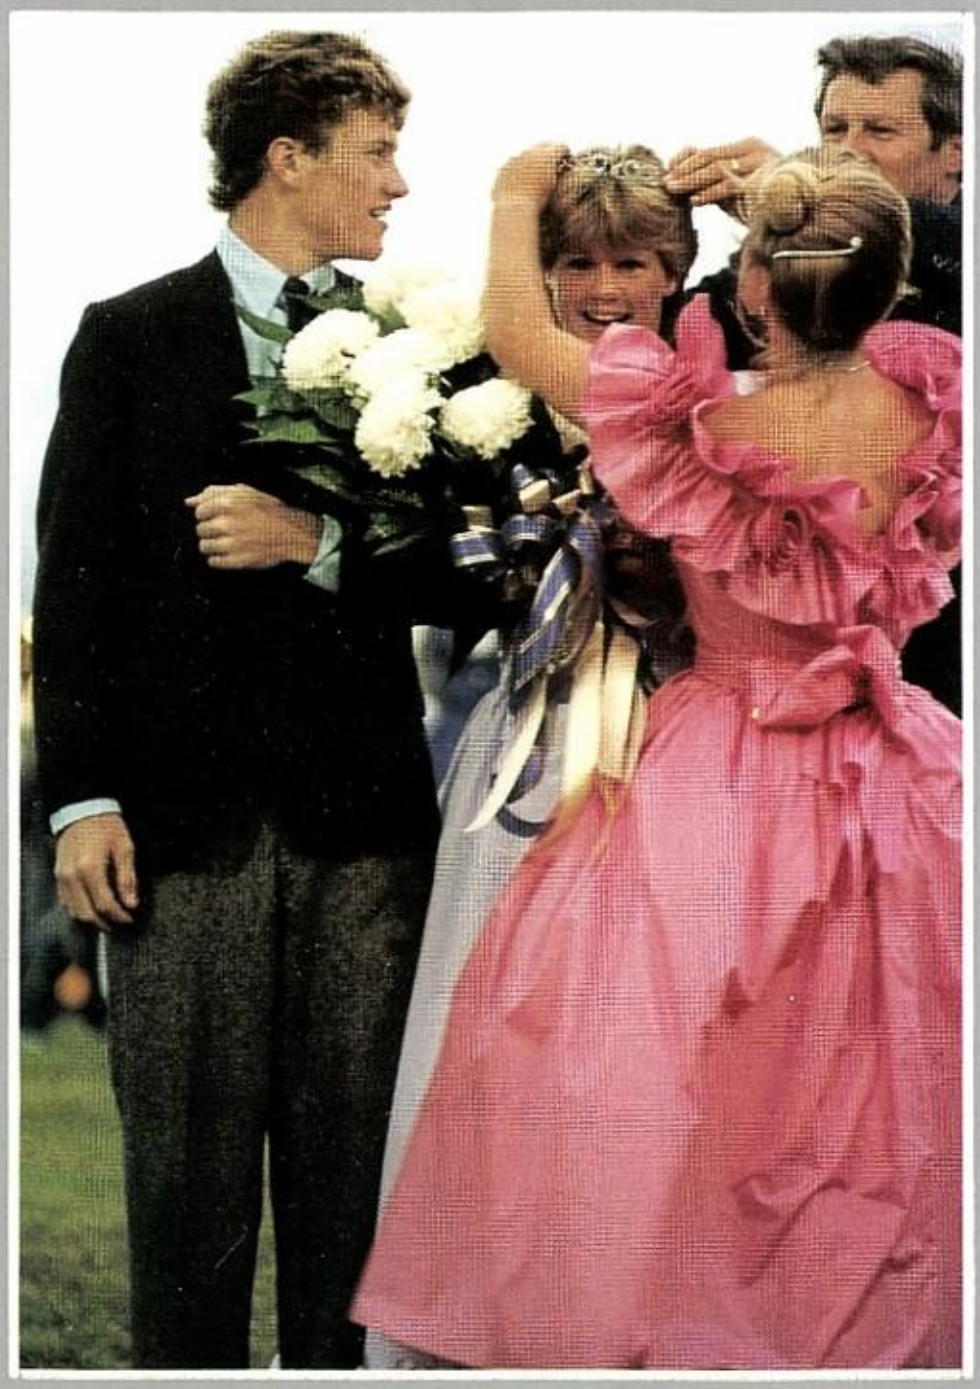
The night before the big game, the bonfire helped to build the enthusiasm. The cheerleaders, band, and other spirit organizations provided a great show by the glowing orange halo of light created by the burning pile of brush.

Alas, the grand finale was upon us. Before the game against Holy Cross, the King and Queen of Homecoming '84 were named and honored.

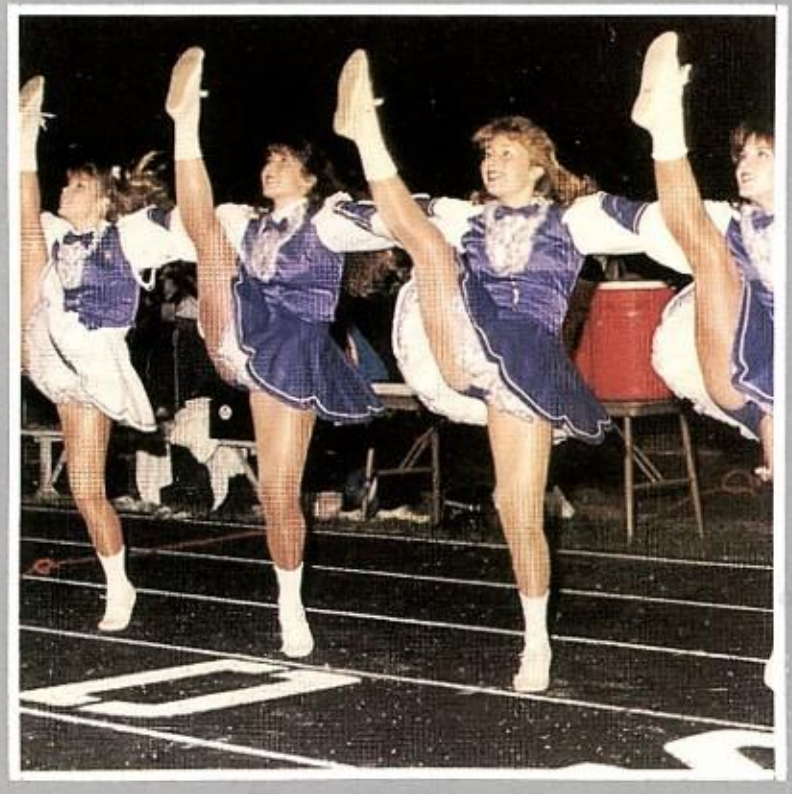
The players got their last bit of encouragement by running through the painted sign of the Seniors. With the coaching from the sideline, the game went just as it was planned.

During the half-time show, the band and Royalettes strutted their stuff. After the football players came back on the field and finished the game, the fans left with a renewed feeling of accomplishment and pleasure.

Thus, that pride for purple and white lives on not only during Homecoming and football season, but also throughout the year.



Homecoming Queen of 1983, Shelly Reeves, and Principal Clifton Schmitt crown the new Queen of Homecoming 1984, Staci Allen, and honor King Mel Ellenwood.



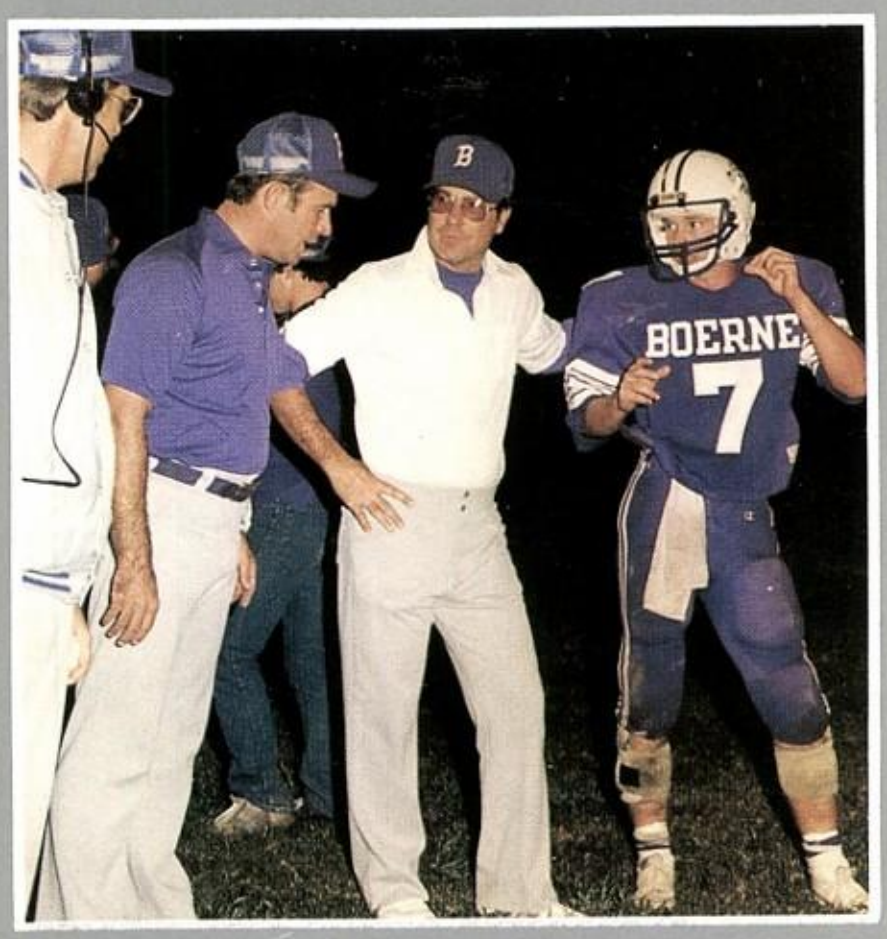
Kick'em high girls!

The blaze of victory.

Go for it, Paul!

"AAwesome!"

Here come the Hounds!



Matt Bradley gets instructions from the sidelines.

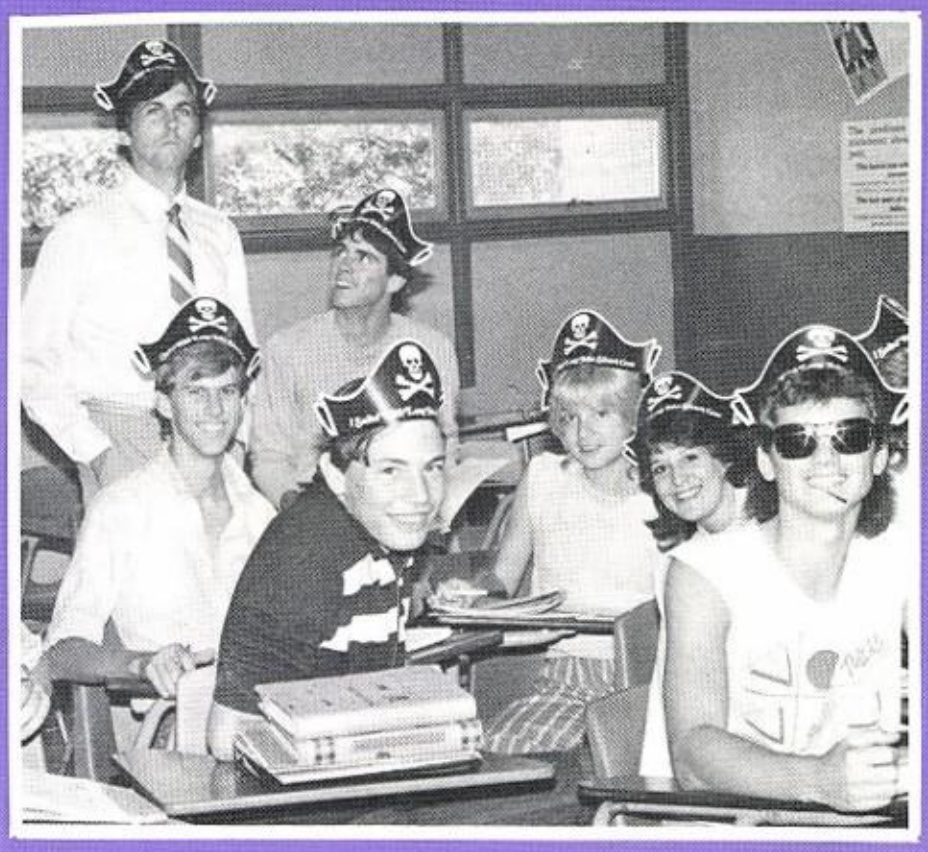
Classes



The Free Enterprise System works.

Several of the new requirements of House Bill 72 created pressure on all classes. The upperclassmen suddenly had to deal with not having exemptions (and Seniors hate to study for tests); athletes found themselves sitting on the bench, because they did not pass all their classes; and Freshmen had to decide whether they were going to spend their time in high school on the high road or on the low road.

Even with all these stringent changes, there were certain things no one could take away. At times, classes still seemed to be more like a party rather than a learning experience. And the Seniors could never lose their spirit. The sign below said it all!

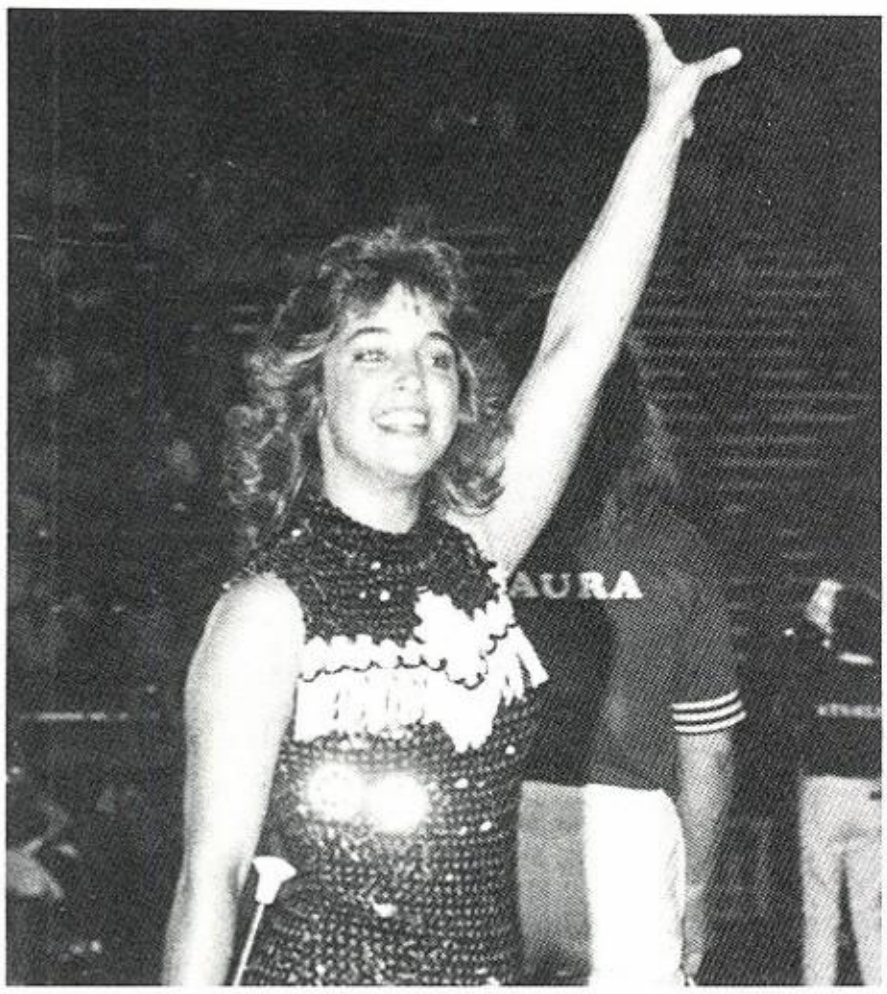
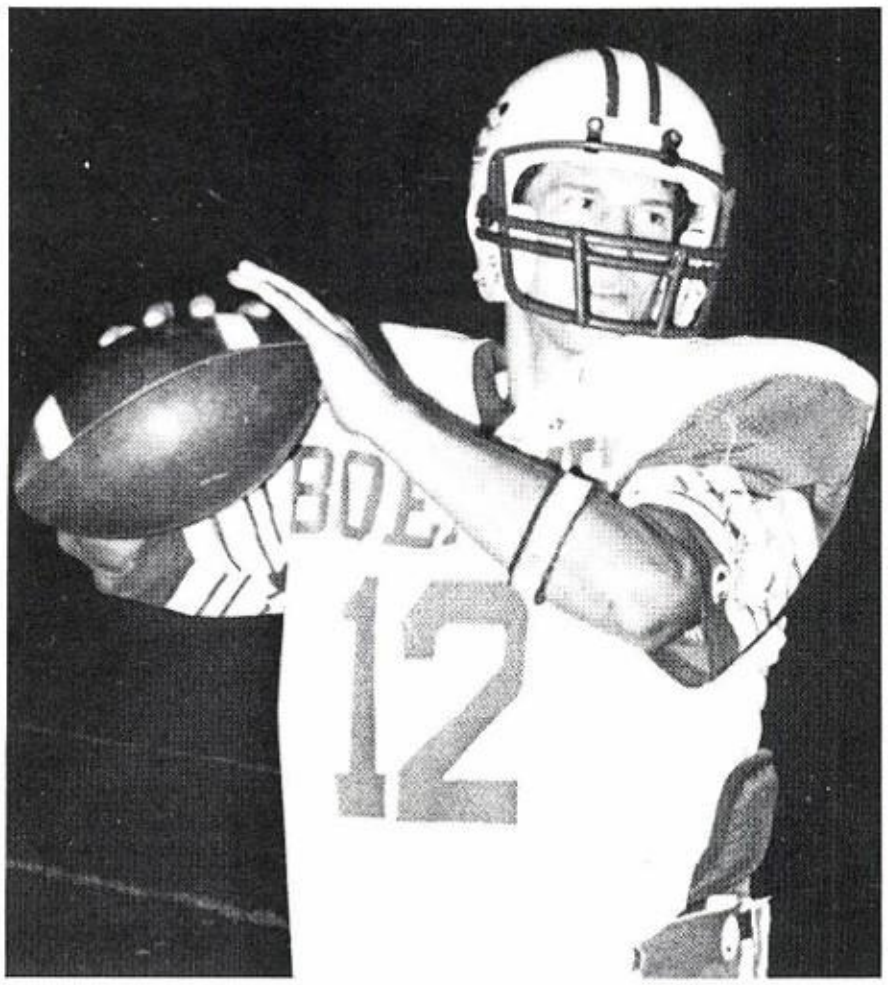
Mr. and Miss BHS



Among her many activities, Linette was a BHS twirler.



During his Senior year, Bo held the position of Varsity Quarterback.

In 1985 the student body of Boerne High School elected Bo Sommer and Linette Torans to represent them as Mr. and Miss BHS. This honor is given to two students who represent BHS life by being very active in the school. Bo played Baseball and Basketball for four years. He was involved in Football for three years and Track for one year. Bo belonged to Mu Alpha Theta for two years, the Spanish Club, and Student Council for one year. During his Senior year, Bo served as Student Council President. Linette participated in band for four years. Three of these years, she held the position of twirler. She was a member of FHA and the French Club. Her Sophomore year, Linette was elected the Vice-President of her class. Linette was also an active part of both Journalism Departments.

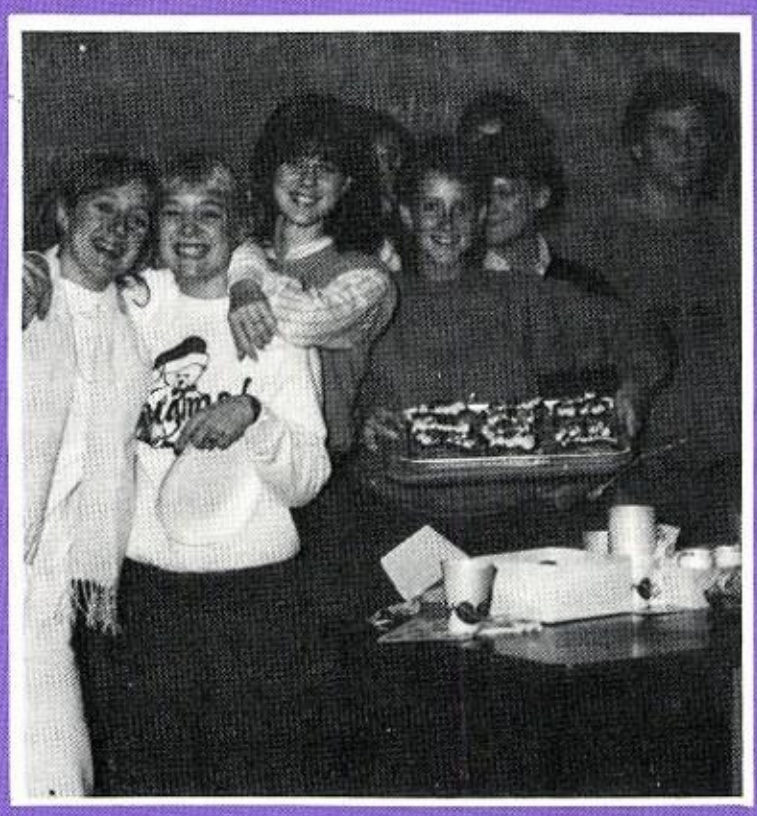
Organizations

The biggest organization of all, our school.

Royalettes and Cheerleaders show their spirit.

CVAE students learn office skills.



French Club celebrates Christmas.

Freshman and J.V. Cheerleaders take a sideline break.

Organizations were one of the vital links between BHS students, their school, and community. Through the various activities, students learned to interact with others. They also helped earn money for worthy recipients in our town. These organizations deserve our utmost admiration and support for the goals they accomplished in 1984-85.

Student Council

L to R: Deanne Whiting, Robin Gombert, Kelly Littlejohn, Jennifer Johnson, Stacy Moritz, Audrey Seewald; Barry Clark, Ty Whiting, Phillip Allen, Keri Baxter, Kristen Carpenter, Chip Jackson, Rick Pennington, Marissa Tausch, Kim Nietenenhoefer, Vanessa Bothe, Debbie Schroeder, Beatrice Klar, Shelly Estess, Lola Abadie, Suzanne Stevens, Elizabeth Potter, Suzanne Peters, Mr. Pool; Rafe Taylor, Marion Shaer, Richard Pritchett, Michael Valdez, Gary Clark, Gary Bitzkie, Scott Lammert, Greg Stunz, Craig Re; Jim Jackson, and Bo Sommer.

The 1984-85 student council had a very good year despite some complications with the Valentines Dance. The Lady Greyhounds were in Regional play-offs during the dance. But the crowd was still large enough for everyone to have a good time.

The Student Council was also represented at the monthly School Board meetings by a council officer. That officer would give reports to the Board on the Student Council's various activities.

This was, undoubtedly, one of the hardest working councils.

Student Council members sell tickets to their Valentines dance.

L-R: Officers—Rafe Taylor, Bo Sommer, Suzanne Peters, Gary Clark, Audrey Seewald.

Because of the success of the science club this year, $450 in research grants were awarded to students in the club, so that they could conduct scientific studies. Besides the research grants, a $250 scholarship was awarded to a science club senior.

The Bark moved into the land of high technology which helped the staff meet the extreme pressures of the newspaper world. Under the direction of Ron Rankin, nine issues of the newspaper were run during the school year of 1984-85, and received the Award of Achievement in facing the top 4A competition in the state.

The Bark had individual standouts on its staff. Mary Wade, added her name to the list of "Boerne's State Champions" when she won first place in state competition for her student art while David Kilgore received third place in state in sports writing.

The Bark faced pressures of having to write articles, lay out pages, and meet deadlines, along with expanding to 28 pages per issue, and did so with pride and grace.

In addition to a two-year program for students seriously interested in pursuing a mechanical career, students have the opportunity to build or rebuild cars for themselves and others. Hands-on experience also is gained by servicing the entire fleet of buses of the Boerne ISD. The local chapter of VICA has been sponsored by Mr. Vernon Hicks for many years.

D.E.C.A.

Distributive Education Clubs of America (DECA) was a Student organization which complemented instruction received in Marketing and Distribution. The students in DECA attended school half a day and received on-the-job training the other half of the day. DECA had such events as the DECA olympics, DECA leadership labs and also discussed career development. DECA was a very promising course, and their sponsor was Mr. Mc Corkle.

The Future Homemakers of America is a homemaking organization devoted to help youth assume their roles in society thru personal growth, family life, vocational preparation and community involvement. During the year FHA sold assorted styles of Boerne Greyhound jackets. With the money they raised, they had a Valentine's Day banquet at Victoria's and had a wonderful time. During the Christmas season, they contributed to the Christmas spirit by bringing broken toys and fixing them to be given to the children around Boerne. The year turned out to be a very caring and giving one.

The Pride of the Hill Country,

Summer rehearsals were just the beginning of the work that went into the 1984-85 band's success. When school started, the band had early morning practice. Due to the construction at the high school the band was forced to use the middle school band hall. This was also the year that the band received new uniforms.

Marching contest left the band with the rating of a II. In the spring, the band benefited with a II in concert and a I in sightreading at the UIL concert and sightreading concert.

For a money raiser the band sold Boerne Greyhound shirts. This money was used for the band's spring trip.

The Varsity Greyhound Football team experienced a more successful year than the fans expected. With only a handful of returning lettermen, the team finished with a winning season. This year the Greyhounds had to overcome many hardships, such as the new U.I.L. rules to end the season with a second place finish. Boerne placed 13 players on the all-district teams. The year was considered a success with an 8-3 season and three players being selected to the All Southwest Texas team.

The pre-season began with scrimmages at South-San West and Medina Valley at home. The games before district gave the coaches time to sharpen several key positions. Boerne won 4 of 5 games, losing only to Hondo. Hays, St. Gerards, Fredericksburg and Holy Cross fell to the improving Hounds. During District the Greyhounds sailed through the schedule until the Bandera game. Boerne was dominated on offense and defense during the entire game. Bandera ended an undefeated season as District Champs. Boerne advanced to the playoffs with a second place finish. Boerne played Medina Valley at Seguin, losing 26-0. Fourteen seniors graduated and Boerne faces a rebuilding job for the 1985 season.

Cross Country

The Cross Country teams were coached this year by Mike Mazelin. Both teams won 2nd place at New Braunfels. It was the only team award, because it was the only time they had had a full team. Injuries hurt them for the rest of the season. In district, Joan Uecker placed 3rd, Karen Urbanec placed 4th, and they both advanced to regional competition. They earned their jackets along with Melanie Pavlas, who finished 9th. They are looking forward to next year in hopes of improving the team.

The volleyball season started when everyone else was still enjoying summer vacation. In early August practice began at 9:00 a.m. in the gym. All three teams worked hard. The varsity team practiced many new drills.

The season opened early with scrimmages against Tivy and Comfort. The freshmen and junior varsity teams were intermixed most of the season. The varsity team consisted mainly of seniors. These seniors worked well together because they started playing together their freshmen year. This team accomplished more this season than any other team in Boerne High's history. They were second in District and qualified for Bi-District. Everyone pulled together and gave it their best. This year also produced record crowds for the volleyball games.

The Varsity Volleyball team went to three tournaments in 1984. The Tivy tournament gave the team some good experience for the upcoming year. They were victorious over two Austin teams, but were defeated by Southwest to finish in the semi-finals of consolation.

The Incarnate Word Tournament proved to be more successful when the girls won a third place trophy by overcoming Southside, St. Agnes, and Ursline. Leadership was shown by Susan Parker and Kelley Carpenter. They were awarded outstanding player trophies by the referees and coaches.

The last tournament before district began, was the Southside Tournament. The team was forced into consolation by the loss to Bandera, an age old rival. The team triumphed over Cole and Poteet to win first place in consolation. Claudia Uecker received an all-tournament award to add to the team's accomplishments.

The Boerne Cosmos had an outstanding season with a record of seven and zero. Their competition included teams from New Braunfels and Canyon High Schools. This team also went to the state Tournament and lost the three games they played. They were sponsored by the Optimist Club and instructed by Coach Stockman and Mrs. Mendez.

Boys Varsity Shoots

The boys basketball program had a winning season but did not live up to the expectations of the senior players or the coach. Their record for the regular season was 15 wins and 12 losses. They went into the bi-district playoffs against Medina Valley. They lost the opening round game 68-48. Coach Kensing will have six lettermen returning next year.

Lady Hounds Reach

The Lady Hounds started out their long season practicing five days a week. All that was heard for weeks was Coach Durst's high hopes to go to State. To accomplish this goal, the girls developed the saying, "We will do our best and take it one step at a time."

The season started off with a long awaited win over Fredericksburg. Kerrville, Canyon, and Gonzales are other schools that the Lady Hounds played. In addition to this, the girls played in several tournaments and they placed first in the Gonzales tournament. District left the team with a record of 10-0. The competition was tough, but they played like a team. This team work is what led the Lady Hounds to state competition. The state game was lost to Sweeny, a returning competitor. Yet, these girls developed a special bond.

Boys Track Team

The 1984-85 boys track team had a season that contained disappointments as well as rewards. The boys never won a track meet, but they were consistant in placing in the top five at most of their meets. At the district track meet in Smithson Valley the boys became district champions. This was the first time that the boys had accomplished this feat. As a result of the district meet, eight members of the boys track team advanced to regionals. The 1984-85 girls track team consisted of some very dedicated members. These girls practiced hard all year and in March, they were forced out of the gym due to construction. They were faced with the problem of finding new dressing rooms. Yet, this did not seem to destroy their determination. Another part of the construction was a new all-weather track.

The girls lost their first meet in Junction, but things brightened after this meet. For the first time ever, they won six meets in a row. This led to their district win in Smithson Valley.

As a result of this meet, eleven girls advanced to regionals. At least two people placed in each event. There was not a lot of first places, but they were consistent in placing second, third, and fourth. All five seniors advanced to regionals.

The fans of the '85 season made a great year for the Greyhounds. After finishing in a three-way tie for first place, the team won a flip of the coin for a bye before clinching the title against Floresville. The team went into the play-offs with high hopes but fell to Medina Valley in the first round. As a part of the rebuilding program at BHS the field had new lights which allowed night games for the first time. Teachers

Teaching is such a challenge!

Boerne High has always had the reputation of having a competent staff. This year's staff was pushed to the limits by the new guidelines of the reform bill. BHS teachers are more than just educators, they are also sponsors of many activities.

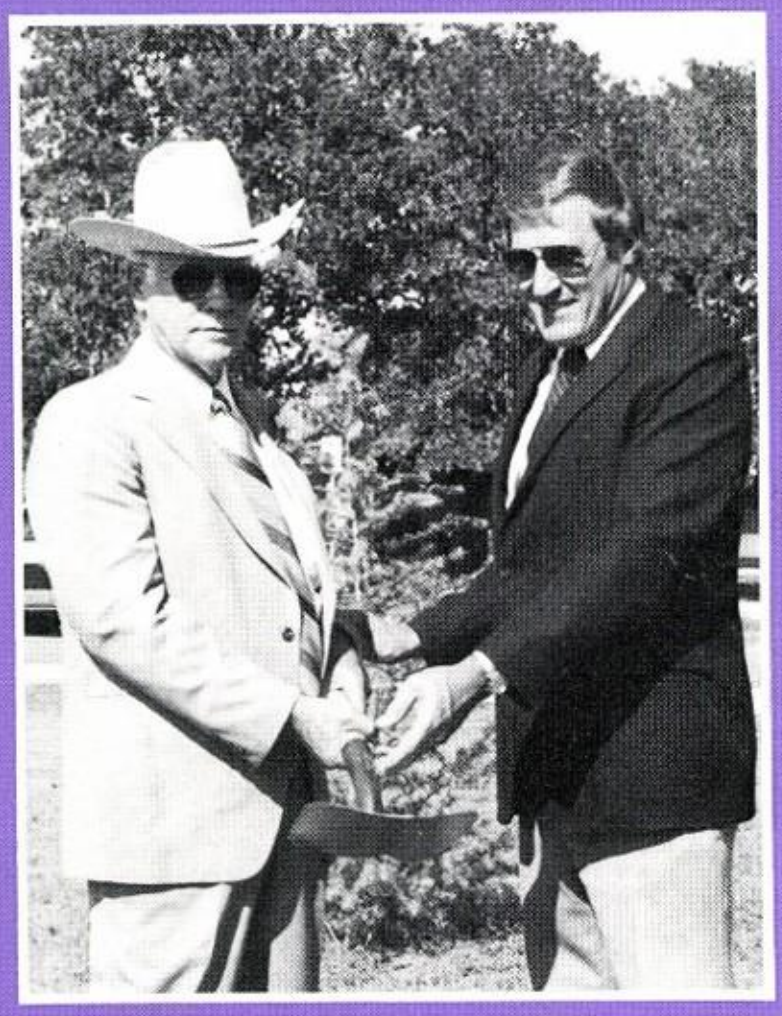
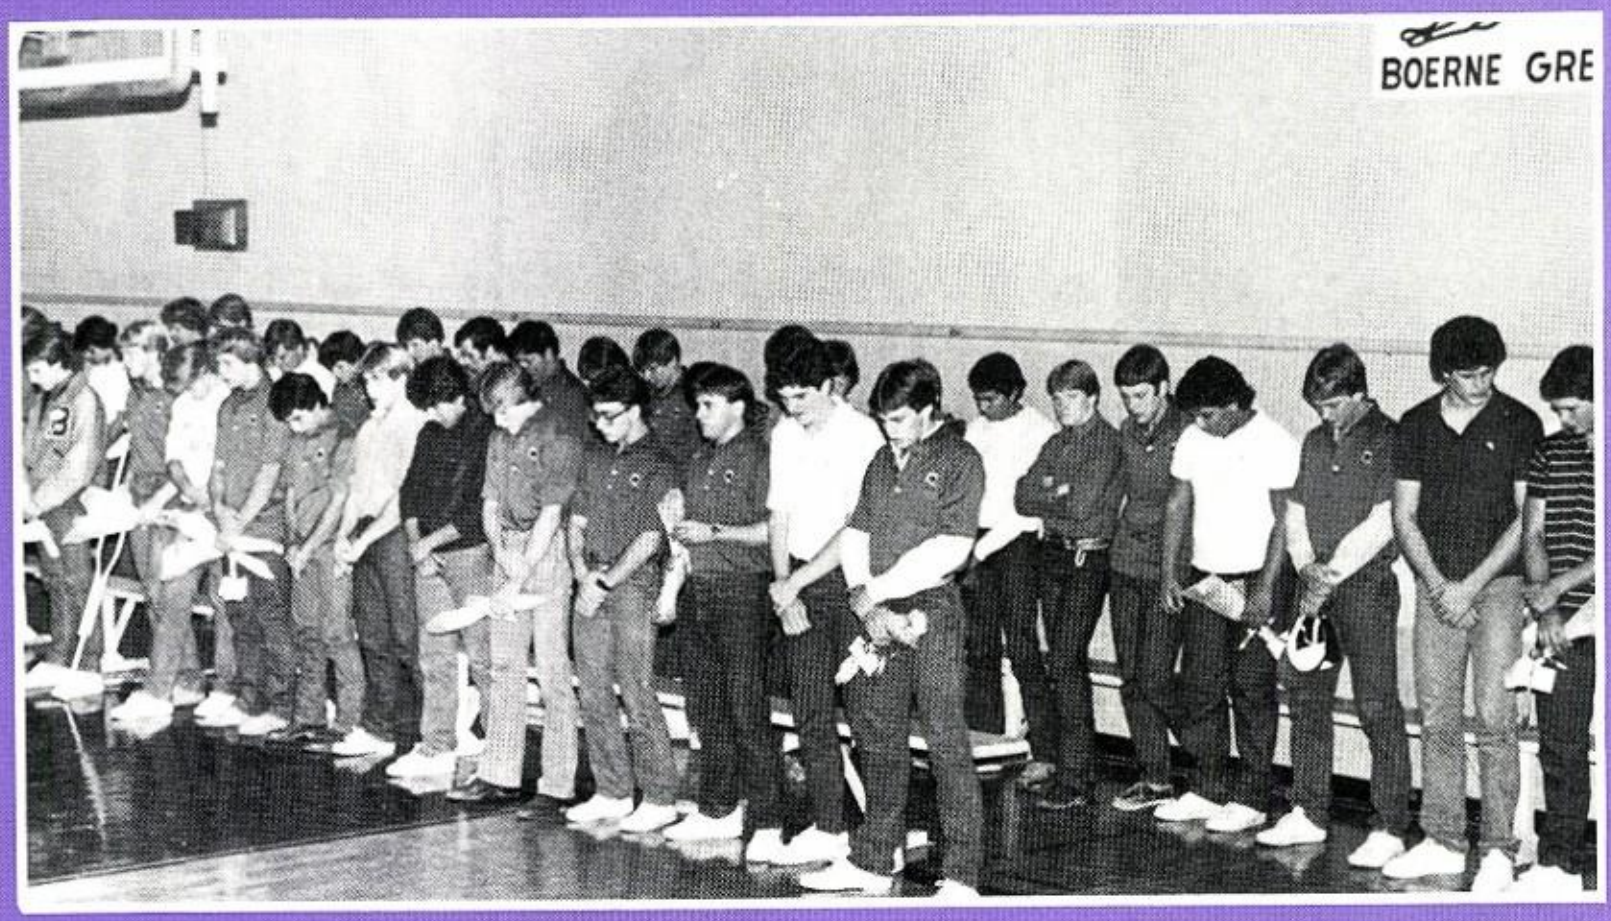
The Year at a Glance



The ground-breaking of the new auditorium was held.

The year started out with the usual football games, but an added demension to the routine of things was the construction. Groundbreaking started with the new school year as did the pep rallies to promote spirit.

Pep rallies added excitement to Fridays.



The boys that prayed together played together.

The Days Turned to Weeks and

The beginning of the year also saw the start of the Volleyball season. The girls had a winning year. This only helped to spur the spirit of some seniors on dress-up day.

Cheerleaders built that spirit up.

Halloween gave Seniors one last chance at being freshmen.

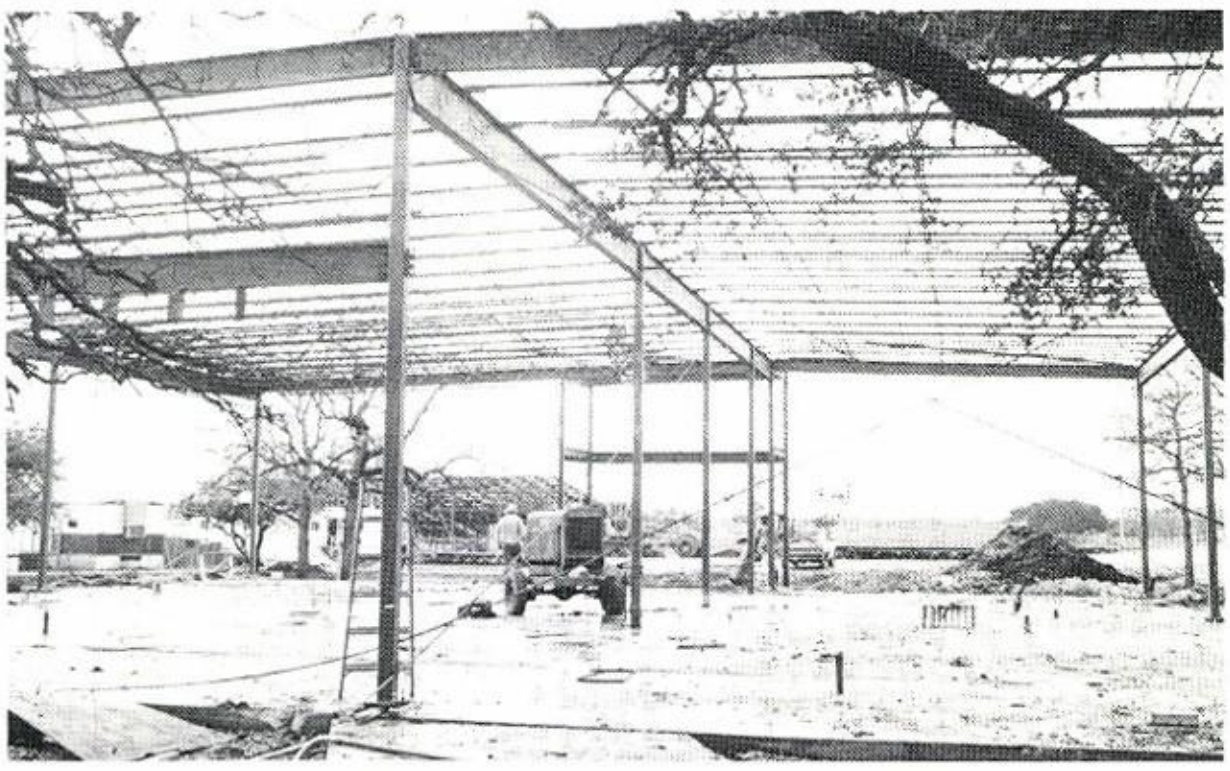
Volleyball helped to spur our competitive spirit.

the Weeks Turned to Months

Mid-year brought with it the fun of Semester exams and basketball games. Many BHS students also found themselves singing their hearts out in "Brigadoon". The construction continued to progress to a state where shapes of buildings were visible.

Boys Basketball had a tough season.

"Brigadoon" was a smashing success.



The new Administration building was always the center of attention.

The gym got a face lift.

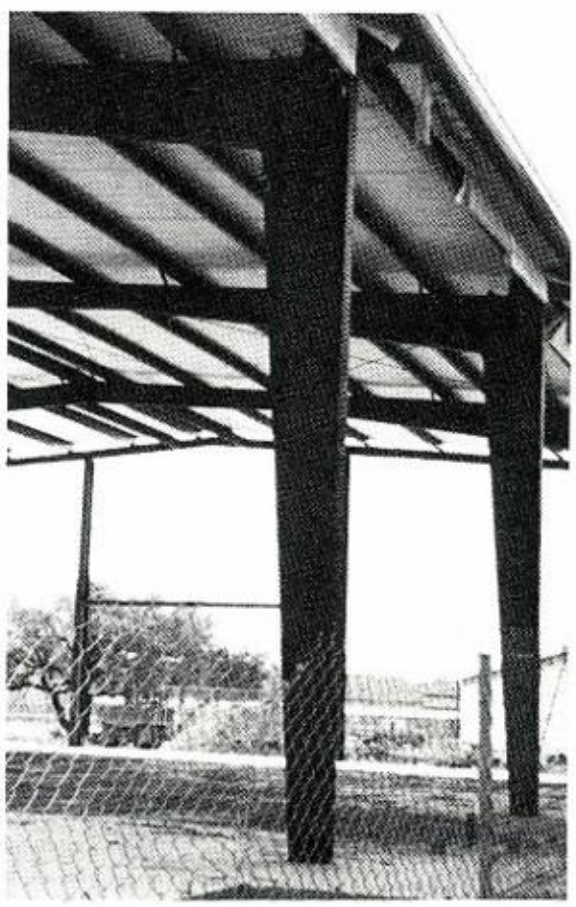
Rare Occurrences Led

The highlight of the year was the Lady Hound's trip to the state basketball tournament. These girls received the support of the entire school. Considering the amount of pressure they were under, it was an excellent game.

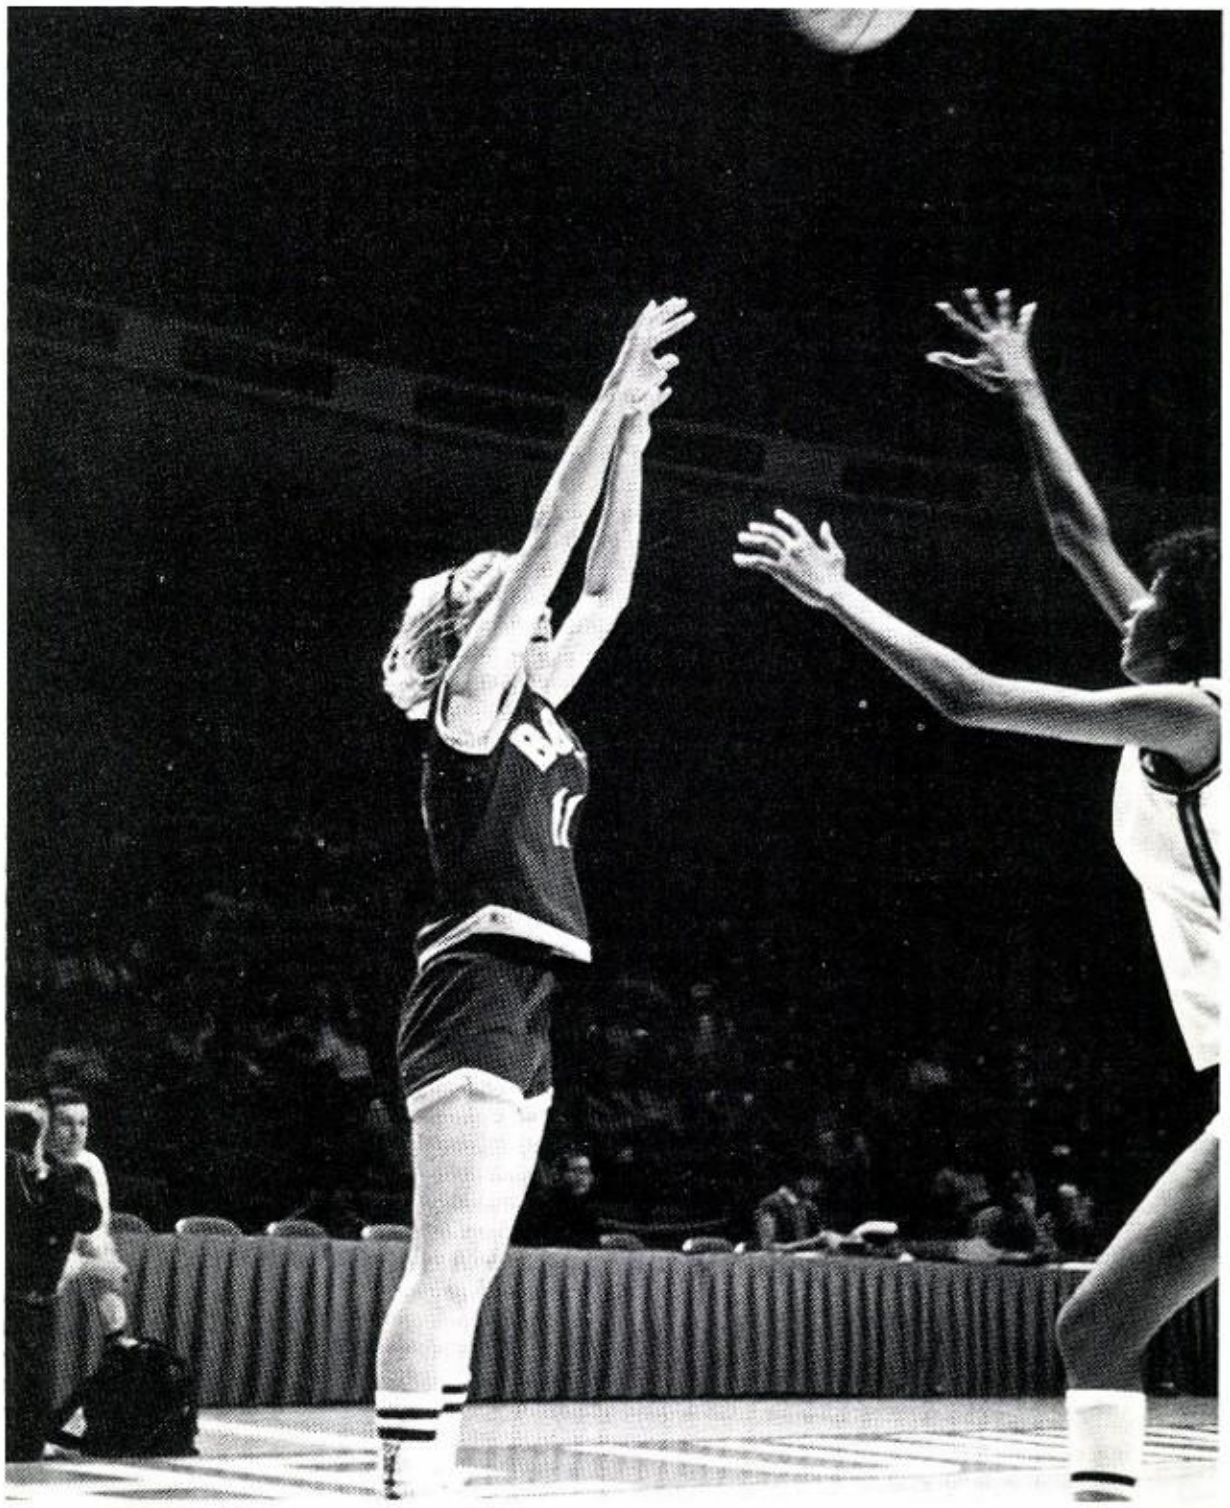
Freshmen learned new tricks, that momma never showed them.

Mr. Schmitt moved the traffic.

Cheerleaders backed basketball.



Construction went as planned.



Claudia Uecker went for two in the State Tournament against the tough hitting Sweeny Bulldogs. It was their first trip in our history.

to a Memorable 1985

"Please, no snowball fights."

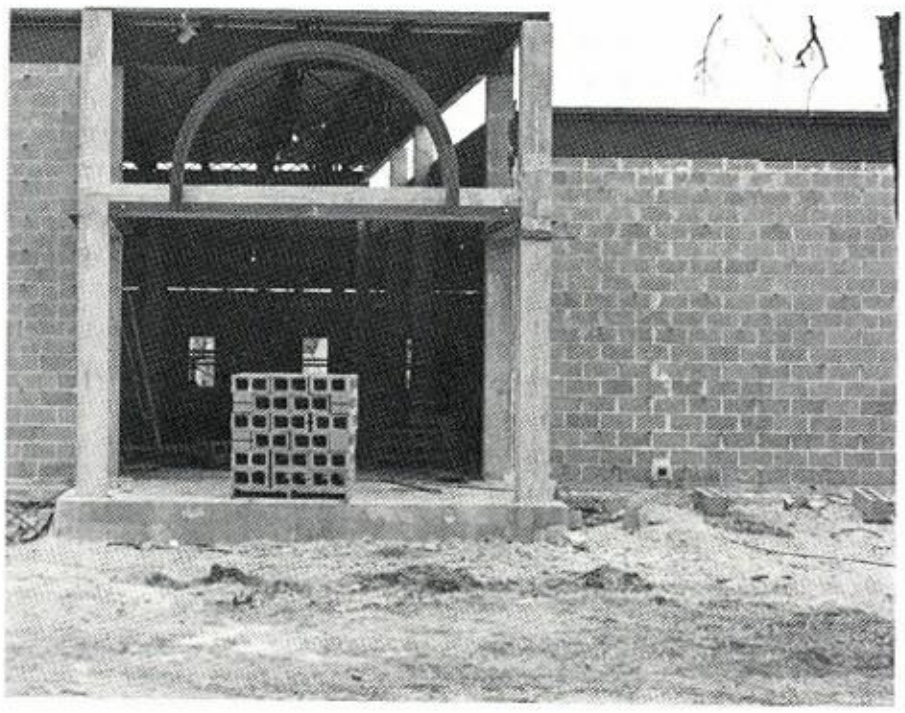
For the first time in four years it snowed in Boerne, but unlike the others these differed in several ways. They lasted for days and were deep enough to have fun in.

The campus had a fresh look.

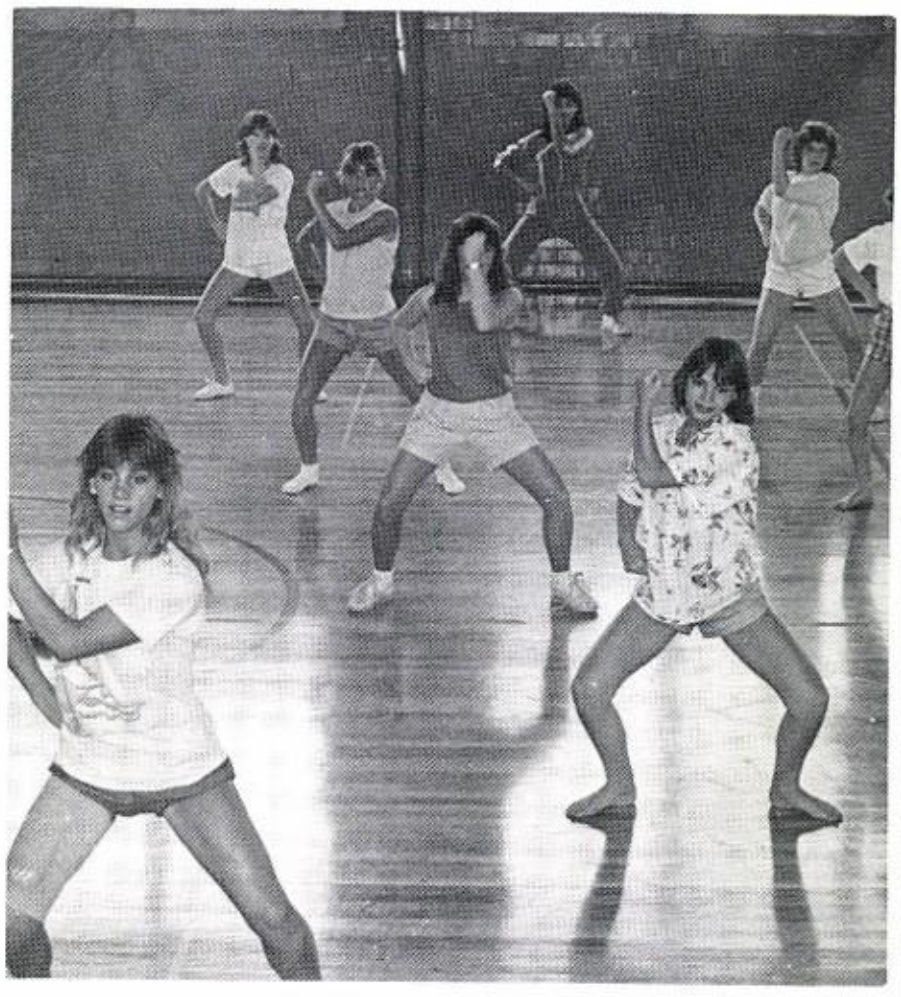
That Greyhound spirit appeared in everything we did.

Spring Sprung at BHS

Spring Break was a special time for all BHS students. Most headed for Port "A" while others went to Colorado skiing. Cheerleader try-outs also occurred at this time in the year. All of the girls deserved to make it!



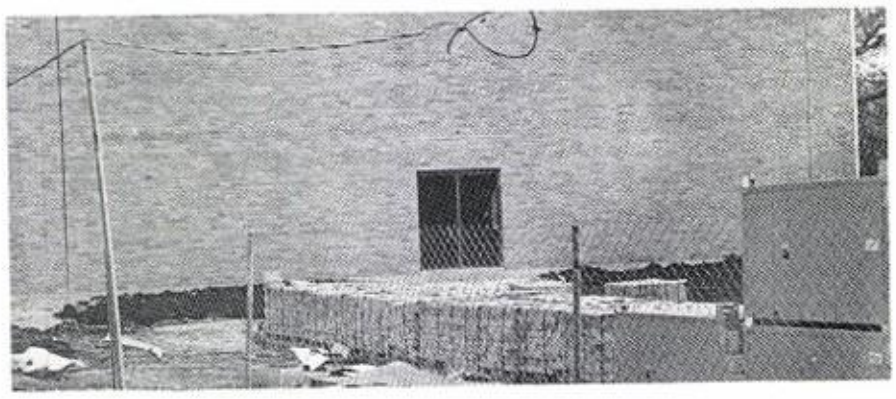
"The Alamo" would soon hold classrooms.



Cheerleader try-outs made the school day even longer.

Many BHS students found themselves at Port Aransas for Spring Break.

and Students Caught That Fever



Things began to get in place for all the new buildings.

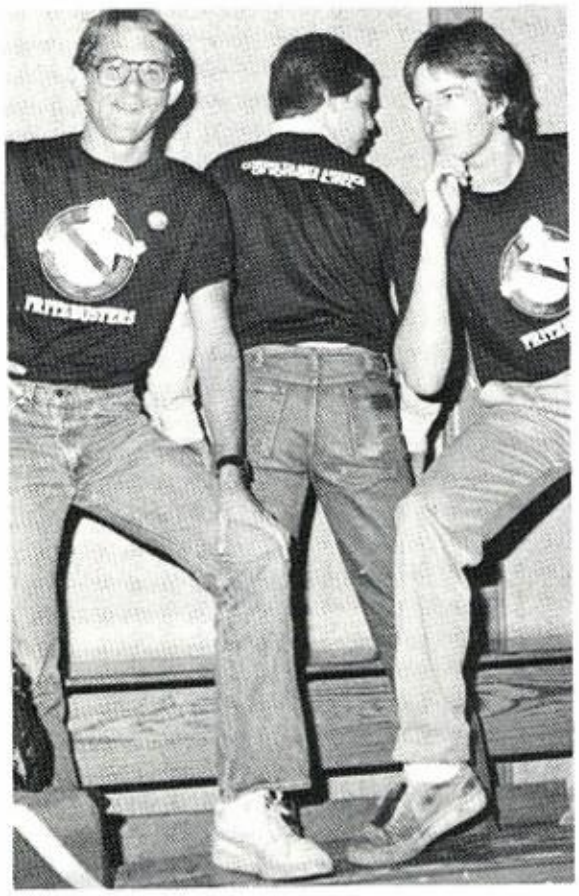
In Spring, many students went all out in the sports they were in. Track excelled, and UIL sent several people to state. Either way Spring fever helped to push them.

Another thing that Spring helped hurry was the construction. The buildings began to look more complete and much of the work that required machinery was finished.

However, the quietness was interrupted by the sound of the band. They went to Sandy Lack Land Competition and got a 1.

Patsy really liked to smile.

The track team could jump further than the rest.



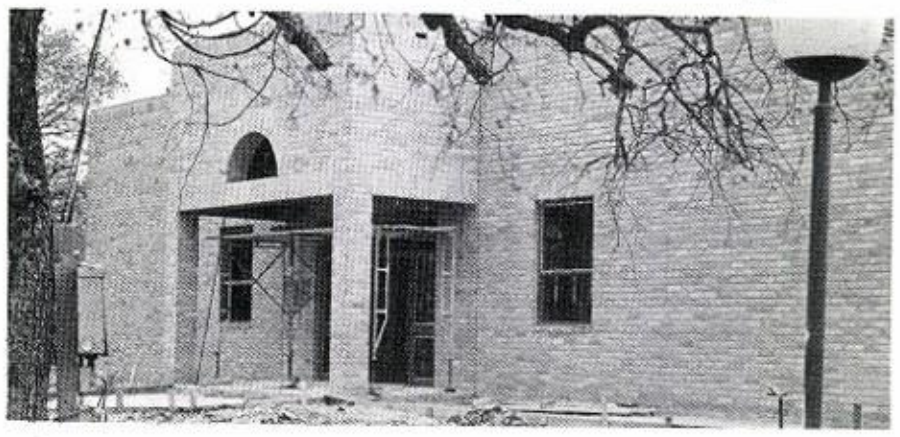
Teenage Republicans never gave up, they just kept rubbing it in.

BHS Danced Through Apri

Ah, the excitement of prom night . . . The one date that no one will ever be able to forget. It was an exciting night at the La Mansion Del Norte Ball Room with the Modelles playing loud Rock-n-Roll.

Sports such as tennis wound out the year with a good showing. It added more to an ever-growing feeling of enthusiasm. —Because Summer was on its way!!!

Scott showed promise.



The administration building got its last touch-ups.

Madeline showed the high spirit of girls' track.

The King and Queen of the Prom, Kelly Showalter and Gary Bitzkie.

A good band made all the difference—People even danced.

and May With Style!

Patsy shows off that swing.

Spring show was one last time for all of the Royalettes to dance. They had a nice show that helped to sum up the year.

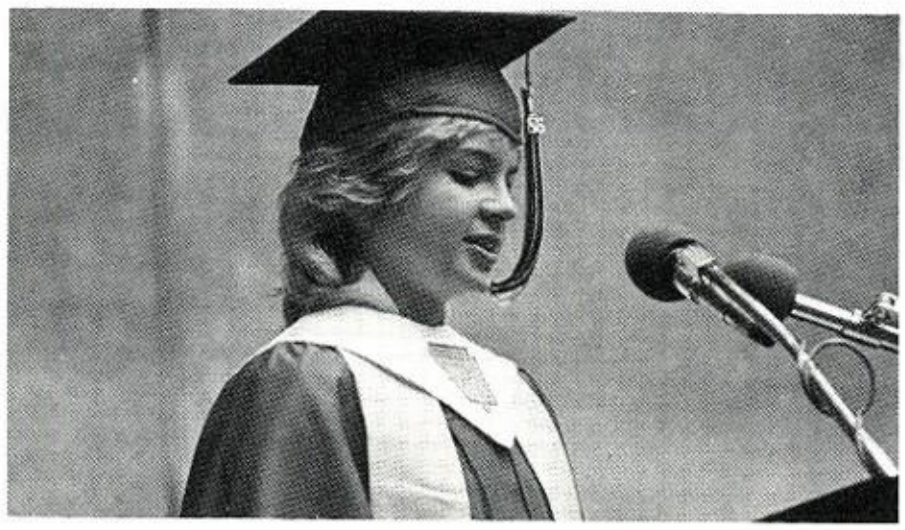
Patsy Baxter also brought pride to BHS. She won the State Golf tournament for the second year in a row.

The new Royalettes for 1985-86 with former Col. Amy Roni.

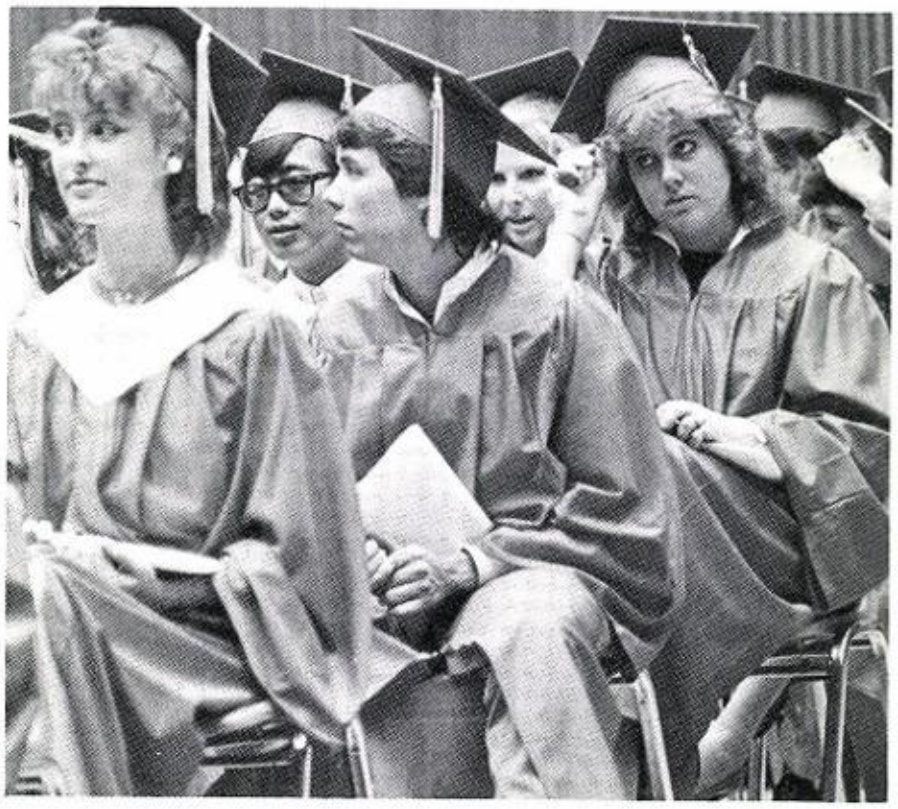
The old Royalettes had one last dance together.

Graduation Ended a Year of

Graduation 1985 was held on May 24, in the Convocation Center, UTSA. It was a well produced ceremony with speeches by Audrey Seewald, David Kilgore, and Jimmy Jackson. It ended with the graduation of 151 Seniors!!



Valedictorian, Audrey Seewald, made her speech.



The anxious Seniors were restless.

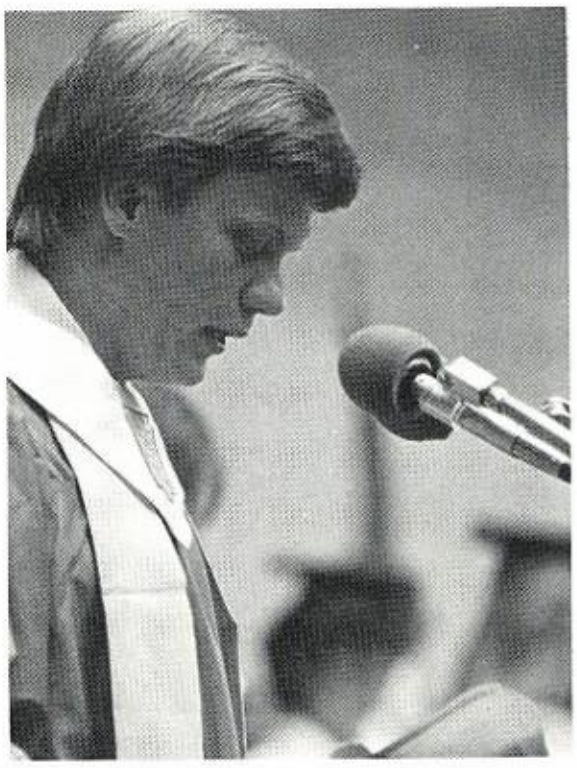
SONG
"Time Goes By"

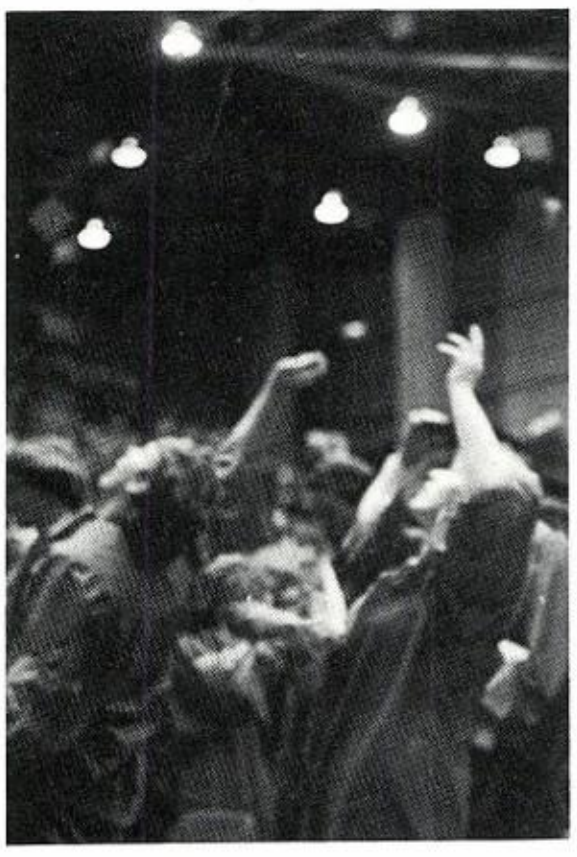
MOTTO – Graham Hill

I think back upon all my fears
Those small ones that seemed so great,
For all the vital things
I had to get and reach.
And there is only one great thing,
To live to see the great day that dawns
And the light that fills the world.

Linette Torans received her diploma.

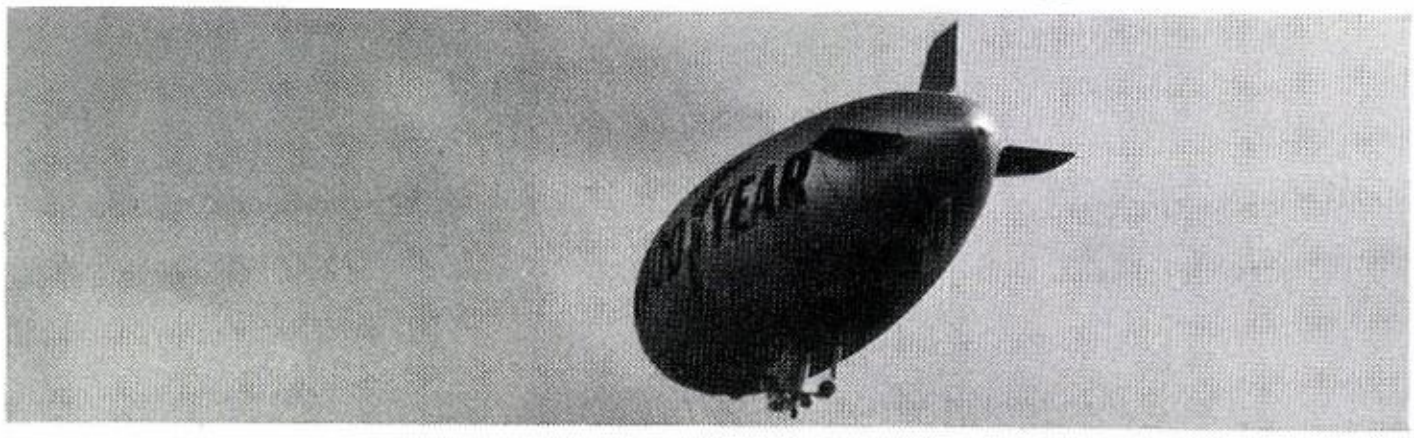


Rafe Taylor delivered the Invocation.



And the hats went flying!!!!!

The Senior Class Song of 1985



TIME GOES BY

—TRIUMPH—

Can't you feel the thunder, rollin' in a young man's heart
Can't you see the frustration tearin' him apart
He's got a hunger for power, he wants to have it all
Sometimes he feels like he's banging his head up against a wall
Out in the real world living a lie
Can't seem to make the change, but he can't say why
As Time Goes By
Nobody really knows what to say,
tomorrow is another day.
That seems a million miles away, so far away

Chorus

Time Goes By, bridges burn and big wheels turn and
Time can fly, will it ever bring you back again?
You know that I can't live without your love
Time goes by, you know I'll never make it alone, make it alone.
Can't you see the fire burnin' in a young girl's eyes
Does she think that she moves ahead if she cuts me down to size
Everybody's got two cents, To try to buy some time
But they don't even know their own hearts
What can they know of mine?
Call out for reason echoes the cry
She waits, anticipates; no reply as Time Goes By
Oh baby I don't know what to say
Tomorrow is another day You seem a million miles away
So far away

Chorus

We all bear witness as history unfolds
Let's hope tomorrow can deliver on the promise that she holds
Don't look back in anger, don't look ahead in fear
You just keep takin' her as she comes until she comes in clear
The love you send out returns to you in time
The wheel gets turned around by those who try
For all their lives
Oh baby I don't know what to say
Tomorrow is another day but
You seem a million miles away
So far away . . .

Chorus
